CLAFLIN.
From The Clarion.

Mrs. J. R. Stockwell and daughters, Miss Nellie and Mrs. J. F. Montgomery, of Pratt came Saturday evening, called here by the death of little Nora O'Blenness, Mrs. Stockwell's grandchild.
The home of Mr. and Mrs. Ed Ingersoll, south of town, was gladdened Sunday afternoon by the arrival of a handsome young urchin of regulation weight and the usual infantile tendencies; the first-born of the family and most likely to become the image of his Pa. All well.

About two dozen Odd Fellows and Knights of Pythias met and went in a body to the home of D. J. Crowe, Monday evening, and gave him a real surprise party, the occasion being his birthday. Mr. and Mrs. Starr had been invited to dinner that evening by Mrs. Crowe and everything had been so conducted that Mr. Crowe had not the slightest suspicion of what was going to happen. A very enjoyable evening was spent at cards and a delicious lunch was served.

A most delightful event occurred on Friday evening when Mrs. F. R. Doherty entertained at a house party in honor of her sister Miss Kittie Kimpfer of Ellinwood. The evening was spent at various games and a very dainty luncheon was served. Those present were: Messrs. Wayne Lamreaux, Frank Ney, Mike Ney, John Miller, Frank Dolecheck, Veta Dolecheck, Jr., Misses Katherine Ney, Jessie Oliphant, Flora Scott, Margaret Ney, Carrie Ney, Eunice Marshall, Esther Hofmeister, Velma Hofmeister, Regina Dolecheck, Kittie Kimpfer, Mr. and Mrs. Fred Oeser and son, Durward.

PAWNEE ROCK.
From The Herald.

Mr. and Mrs. Walter V. (Buster) Twitchell, arrived here from Rocky Ford Saturday for a visit with the W. M. Lewis and O. S. Twitchell families. Buster has been employed in the sugar beet factory since it opened in the fall until the work was finished recently and the plant closed down until next season's crop is ready.
Peter B. and Tobias G. Unruh left on Tuesday for Hot Springs, Ark., where they expect to remain for several months. The former has not, we are sorry to say, been enjoying good health of late, and will try a sojourn at this popular health resort in the hope that the curative powers of the springs will come to his relief. The Herald was one of the necessary articles to take on the trip. At any rate Peter B. arranged to have a copy sent there during his stay.

Peter Lowen, adjuster for the Menonite Mutual Fire Insurance Co., of Newton, was here Monday to look after the loss sustained by Ben H. Unruh, whose house was damaged by fire last week. A satisfactory adjustment was made and Mr. Unruh was given a check for an amount mutually agreed upon by the company's representative and himself. Ben C. Unruh of this city is the agent for the Menonite Mutual.

Mrs. John Cossman has been having a severe siege of typhoid fever, but was thought to be getting better. Her mother and sister, believing her to be so much improved, returned to their home in St. John Friday. That night Mrs. Cossman suffered a relapse and for several days was much worse. However, we are glad to know she is on the road to recovery once more and we hope no obstacles will arise to prevent a speedy recovery to health.

Mr. and Mrs. J. A. Clark and four children and Miss Ava Anderson arrived here Saturday evening from Ness county to visit the F. M. Hazlewood's for a few days. The Clarks have sold out in Ness county and contemplate locating in Wyoming. Mrs. Clark and the children and Ava left Tuesday evening for Iowa where the former will visit relatives before going west while Miss Ava returns to the home of her parents after an extended visit with Kansas relatives. In coming here Saturday the Clarks drove 17 miles to Hanston, missing the train there drove to Larned, a good cold 43 miles in all.

THE HUDSON HERALD.

Sam H. Barnd, who has been foreman of the Claffin Clarion office for several months past, has purchased the paper at Hudson Kansas, and the first issue of the Hudson Herald under his editorship came to our desk the last of the week. Sam is a good newspaper man and the Herald is a bright, newsy and well printed paper and is entitled to the support of the people of Hudson and vicinity.

HOISINGTON.
From The Dispatch.

A son was born to Mr. and Mrs. Henry Ochs, Jan. 12.
Harry Boyle and wife returned to Pueblo last Thursday night. Irene, daughter of Mr. and Mrs. Wm. Cook, of near Olmitz, is sick with tonsilitis.
Mrs. Chas. Keneshky, daughter of Mr. and Mrs. Joe Axman, has been quite sick the past three weeks.
A daughter was born to Ernest Shattuck and wife yesterday and a daughter was born to Oscar Jessup and wife Friday.

H. E. Markel, who recently purchased the Nuss Bros. store, last week bought the residence of A. A. Townsend, north of the Catholic church.

Mrs. Emma Ginther returned to her home at Pueblo Monday night after attending the funeral of her brother, Chas. Boyle.

Mrs. A. Helfert went to Olmitz Monday to see Mrs. Zimmer who suffered a second stroke of paralysis. Her condition is somewhat improved at the present.

Mrs. A. M. Atkin has received the appointment as postmistress at Olmitz. She succeeds Miss Anna Kreisel who has held the office for a long time. Other candidates for the office were Mrs. Loberding and August Galyard.

Byron Gerpelt lost the ends of several fingers while at work in the wood mill of the car department Tuesday. He was using one of the saws when the piece of timber he was sawing slipped and his hand hit the saw blade and as badly mangled that amputation of the ends of them was necessary.

H. W. Ford returned overland from Grand Island, Neb., the first of the week where he and Mrs. Ford have been visiting their daughter, Mrs. H. B. Robinson, and family. Mrs. Ford will return by rail but will probably visit in Missouri before returning and Mr. Ford will meet her. Mr. Ford says he much prefers traveling overland even in the cold weather as he likes to stop at the farm houses where he can find out just what he wants to know about the general conditions of the country.

There is one big question that will confront the mayor and council this summer and that is the supply of water. The present officials will probably not take any definite steps toward solving the problem as the terms of the mayor and three councilmen expire this spring. They are Mayor Johnson and Councilmen G. W. Mitchell, T. C. Morrison and W. J. Langham. A vacancy was made in the Fourth Ward when H. F. Mitchell moved away, and it has not been filled. The present administration has been a good one and it would seem the wise thing to continue them in office as the city needs the attention of practical business men.

BIG FIRE IN HOISINGTON.

John Hall's house in South Hoisington, known as the Lyndhurst boarding house, was burned to the ground last night about 2 o'clock.

Harry Wildgen, a member of the fire department, was coming home from the Bend with a party who had been to the Elks lodge, and when he discovered the fire it was so far advanced that it was useless to turn in an alarm. With the help of the parties in the auto, considerable of the furniture was carried out but the house was a total loss.

The indications were that the fire started in the kitchen but it was impossible to tell the cause. Only two of the boys were home and they were forced to crawl out through the windows to save their lives.
The loss is estimated at \$3,000 with \$1,400 insurance on the building and \$500 on the furnishings.
—Hoisington Dispatch.

KITCHEN SHOWER

Mr. and Mrs. Albert Trester gave a kitchen shower for Mr. and Mrs. Louis Trester at their home last Thursday evening.

Those present were Mr. and Mrs. Bert Trester, Mr. and Mrs. Mark Brown, Mr. and Mrs. Louis Trester, Ethel and Cleo McGinnis, Will Laudick, Hazel Horner and Henry Herres, of this city, and Frank Klepper and Will Meyer, of Heizer.

Mr. and Mrs. Trester received many beautiful and useful presents. The evening was spent in games and dancing, after which delightful refreshments were served.—Hoisington Dispatch.

Mrs. Will Billups was down from Pawnee Rock Saturday for a visit with relatives and friends and on a shopping trip.

Mr. and Mrs. Frank Hammond are the happy parents of a fine baby girl born Monday afternoon.

ELLINWOOD.
From The Leader.

Mr. Pele Galle was in Belpre this week where he purchased 100 acres of fine land. He visited Jake and Mal, who are successful farmers in that community.

Mrs. Louis Pohlman returned Tuesday morning from several weeks visit with her daughter, Mrs. Woodie Byrd and family in Piedmont. The little daughter of Mr. and Mrs. Byrd was very ill but is getting along nicely now.

Harry Sprinker, son of Mr. and Mrs. Joseph Sprinker of this city, writes from Kansas City to send the Leader to his address, 12th and Paseo, New York Apartments. Harry is another Ellinwood young man who is making good in Kansas City. He is in the employ of the Business Men's Insurance Company and is well pleased with his work.

Mr. F. E. Meggers was in Saturday and a caller at this office. He, as is most of the farmers in this section, is somewhat optimistic of the outlook for the farmers this year. The conditions have never looked better at this time and with the present high prices of farm products is enough to encourage even those who looked at things from the dismal viewpoint.

Mr. Carl Howe has been here this week visiting with old friends and relatives. He has been spending most of his time since leaving Ellinwood in Kansas City. At present Mrs. Howe is visiting in Denver and Mr. Howe will go there to join his wife after a visit here. Carl's many friends were glad to see his smiling face again and have been having some very pleasant times in visiting and relating reminiscences of by-gone days when "flower was in bloom" as it were, and knighthood reigned serene.

Paul Ruhland, who is employed at the Schermuly Garage, has just received a letter from his old home in Dresden, Germany, telling of the news of the sad death of one brother, Herbert, while engaged in battle at Vals, France. Another brother, Courtney, was badly wounded, but has recovered and returned to his regiment at the front. No doubt many similar letters will soon begin to arrive, telling of deaths in Europe, caused by the cruel war. There are a great many living near Ellinwood who have relatives in battle in Europe and the deepest sympathy possible goes out to these friends with hope the mad spell of war will soon cease and these dear ones spared.

THE LIVER REGULATES THE BODY—A SLUGGISH LIVER NEEDS CARE.

Someone has said that people with Chronic Liver Complaint should be shut up away from humanity, for they are pessimists and see through a "glass darkly." Why? Because mental states depend upon physical states. Biliousness, Headaches, Dizziness and Constipation disappear after using Dr. King's New Life Pills, 25c. at your druggist.

MARKET REPORT.

Kansas City Stock Yards, Feb. 1.—Last week finished with a flourish in the cattle market, due to closing of Chicago to outward shipments and the resultant shifting of Eastern orders for cattle to Kansas City. Expectation of a continued boom in demand drew out the very large supply of 22,000 head here today, the largest single day's February run of cattle on record here. Chicago is still closed to all shipments out, and according to advices received here today will probably remain closed for a week or ten days. A larger proportion than usual on Monday is killing grades, and fat cattle moved slowly, bids on them 15 to 25 lower. Steer sales were generally made on that basis, but butcher grades sold steady in some cases, never more than 10 lower, calves steady. Steers that have been fed five or six months brought \$8.35 to \$8.50 but the bulk of the steers were on the half fat order, selling at \$7.40 to \$7.90. Forty cars of quarantine cattle arrived, steers selling at \$6.15 to \$7.00. Stockers and feeders sold around steady, some cases weak to 10 lower, some fair to good feeders around \$7.30, about where they would have sold last week, choice feeders \$7.75, stock steers largely \$6.50 to \$7.50, springer cows and heifers strong today, at \$5.80 to \$6.50, a few fancy heifers at \$7. High corn makes feeders anxious to dispose of cattle, and for a time liberal supplies will continue to forestall price advances.

Hogs arrived to the number of 21,000 head, including a train brought down from an up-river market by Cadeby to his plant here. Prices were 5 to 10 lower, order buyers paying \$6.85 for light hogs, packers up to \$6.80 for mixed droves, bulk of sales \$6.70 to \$6.80. The close of the market was its strongest time. Chicago fell short 20,000 head of the estimate made for today, and St. Louis over-ran about that number, having the excessive total of 30,000 head, and the trade was largely concentrated in attempting to secure bargains at the latter point. A good many eastern orders are being filled here, and a larger share of the supply will be bought for the shipping trade later in the week.

Sheep receipts were 11,000 head today, and the market advanced 10 to 15 cents on paper, but was really 15 to 25 cents higher, when the wetness of pelts was considered, consequent of rain here. Pen fed lambs brought \$8.75, numerous droves at \$8.70, Nebraska fed ewes, 94 pounds average at \$6.35, yearlings \$7.70. No great number of sheep or lambs are in sight at nearby feed yards, and there should be a good market balance of the week.
